

Hello, my name is Lynn and I want to tell you my story of how I was forced to get married when I was only 14 years old.

We would love to have you in our family.

I would like to marry your daughter, and I'm ready to pay whatever you want.

I didn't want to get married to him, he is way older than me and I wanted to continue my education, but my father needed the money so he forced me into this marriage.

We got married, and this was the saddest day in my life

I was not happy with him. He saw me as a maid of the house, I wasn't allowed to see my friends or my parents, and he took me out of school.

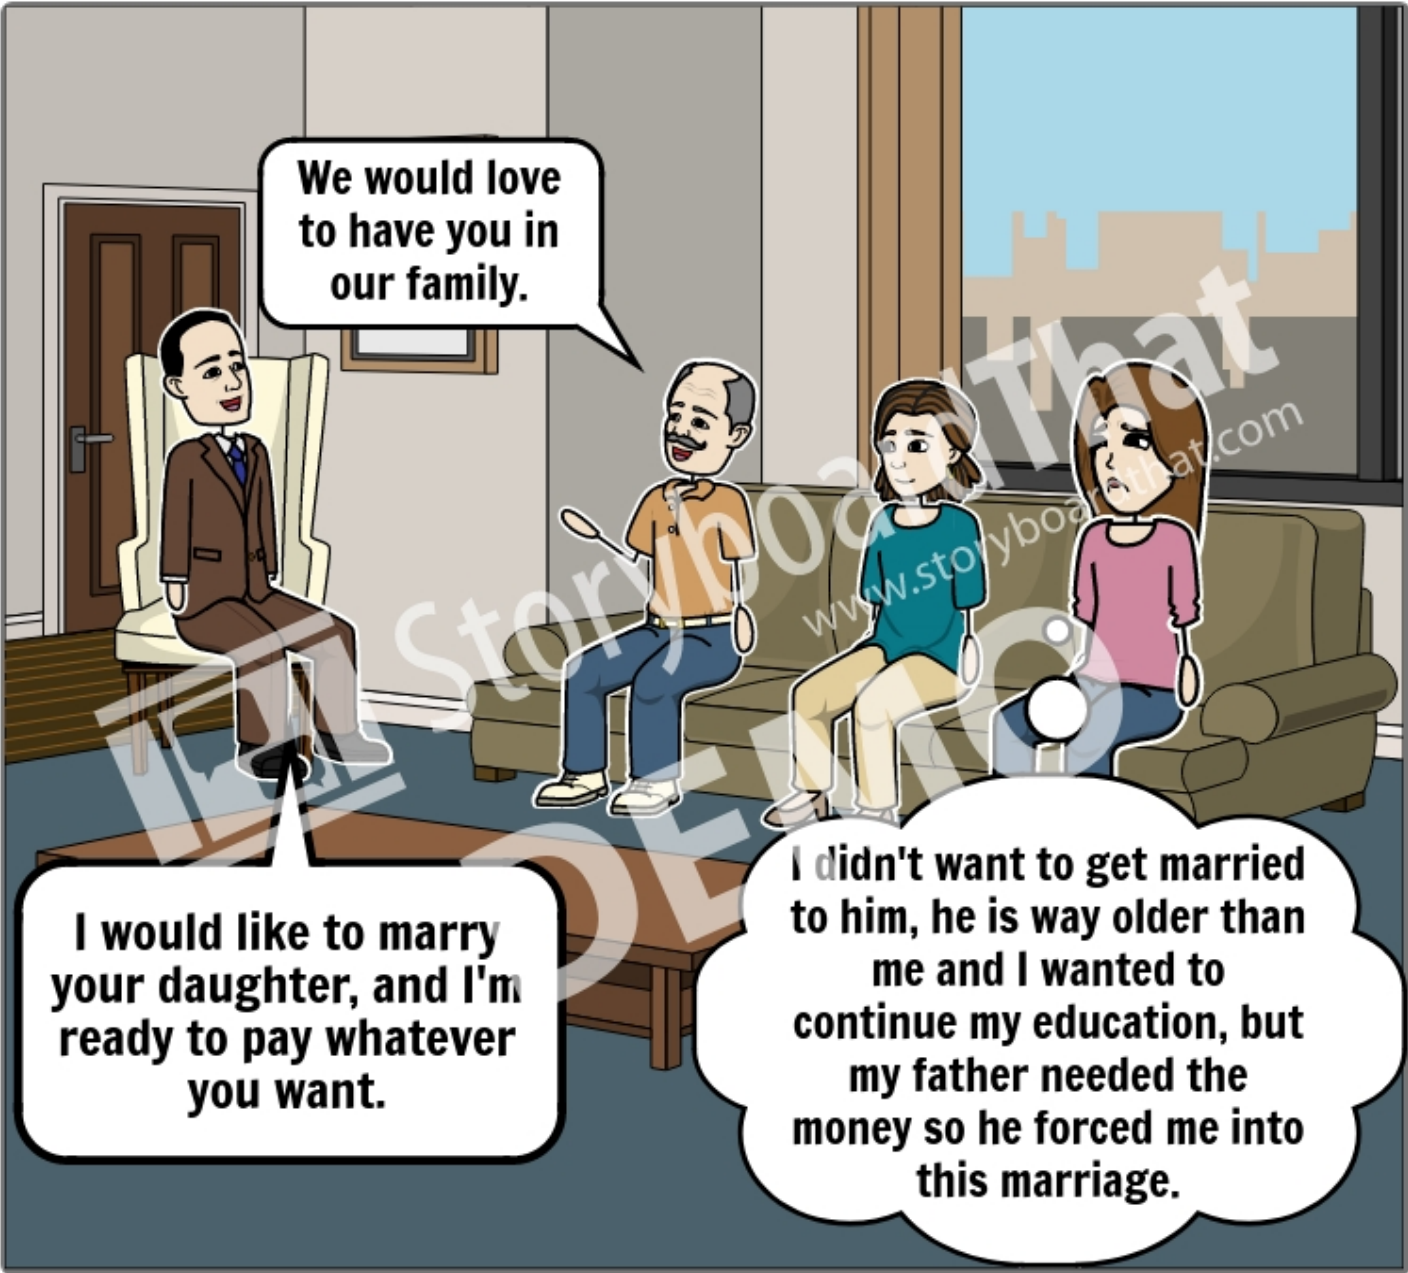

He also hits me a lot and call me bad names. He is an abuser.

I couldn't handle this anymore, so I decided to run away but not to my parents house since I was sure they won't allow this. I went to my friend's house and I'm staying at there until I am able to pay rent for my own apartment.
